1. Please provide the information requested below, and attach this sheet to your plans.
2. Re-roofing submissions require shingle weight and color to be specified; re-painting submissions must be accompanied by "paint chip" samples.
3. A sketch of the location of the proposed work should be made on a photocopy of the plat of your property (re-roofing or re-painting projects do not require sketches). Scaled architecture's, engineer's or contractor's drawings may be used as an alternative if lot lines, easements and building set-back lines are shown. Note: All permitted side or rear fences must be six (6) feet in height unless otherwise approved in writing by the A.C.C. **Your request must note any deviation from the standard.**
4. The original copy of all submitted plans will be retained by the Committee.
5. Your plans will be reviewed as soon as possible. The Committee is required to act on the plans within 30 days of receipt by the ACC, however, failure to receive an approval within 30 days does not confer automatic approval.
